# CHAIRMAN'S MESSAGE

BNCET Lucknow, The pioneer of technical education in Uttar Pradesh. It's established under the auspicious genesis of Hon'ble Baij Nath Charitable and Educational Trust in 2008. The institute is committed to providing high-end educational programs in the area of Engineering and Technology to churn out industry professionals. In our academic programs, industrial visits, and hands-on experience on technology applications including software and hardware are conducted to improve the quality of education. Apart from this, we have very skilled faculty members having experience in both academics and industry.

BNCET has seven engineering disciplines; B.Tech.: Civil Engineering, Computer Science and Engineering, Electrical Engineering, Information Technology, Mechanical Engineering, Electronics & Communication Engineering, and Bio-Technology, M.Tech. Discipline: Computer Science and Mechanical Engineering. Polytechnic: Diploma in Civil, ME (Production), Electronics Engineering as well as M.B.A. program.

The college is approved by the AICTE and Ministry of MHRD, Government of India and affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow. We are committed to providing ragging-free campus along with personal counseling.

In the series of achievements, The College secured 44th rank all over India in NIRF ranking by MHRD, Government of India. We have the best placements for the last three years. Life at BNCET encompasses a wide range of activities in addition to academics, such as seminars, workshops, Industrial tours, cultural events, sports, and dramatics, etc, for the overall development of students. We intend to care for quality infrastructure, world-class facilities, and innovative teaching. Let's find positivity and let's be connected always for education growth.

**Shri Mahesh Singh Patel**  
**Hon'ble Chairman**  
**BNCET Group**

## VISION

Strive to develop as an institution of excellence in professional and technical education that enables youth to be innovative with inherent morality and skills, to be a valuable asset for society and nation.

## MISSION

Impart excellent environment for the development of professional skills by providing quality education, extra-curricular activities and creating an ethical culture to benefit society and industry.

# COURSES OFFERED

- > Computer Science and Engineering
- > Mechanical Engineering
- > Electrical Engineering
- > Civil Engineering
- > Information Technology
- > Bio-Technology
- > Electronics and Communication Engineering

## B.TECH

## POLYTECHNIC

- > Civil Engineering
- > Mechanical Engineering
- > Electronics Engineering

- > Marketing
- > Finance
- > Information Technology
- > International Business
- > Operation & Research
- > Human Resource

## M.B.A

## M.TECH

- > Computer Science
- > Mechanical Engineering

# REFORMING CAREER

## ACADEMICS

- Excellent Academic Result
- Among top colleges of AKTU
- Well equipped infrastructure and Labs
- Learning by doing

## INNOVATIONS

- Our purpose is to inculcate innovation and putting concrete ideas into concepts and lead to product development.
- Many projects are funded by CST-UP and increase in innovation & startup
- Support from ATAL INNOVATION MISSION, NITI AYOOG

## SKILL DEVELOPMENT

- In-house trainings on Robotics, IoT, PLC, Scada, Embedded Systems, Raspberry Pi, MATLAB, AutoCAD and many more.
- Skill building through various workshops of IIT Bombay remote center.
- Advance technology training by Robonomics AI partnership.

## PLACEMENTS

- Excellent placement of students.
- BNCET has a track record with TCS, HCL, Infosys, Paytm, Byjus, Amazon, Carrier Midea, HDFC Bank, Bhilwara Infotechnologies and many more.

# CAMPUS FACILITIES

## A CAMPUS TO FALL IN LOVE WITH

- Smart Class Rooms
- Wi-Fi Campus
- Centre of Excellence
- Industrial Tour
- Hostel & Canteen
- Transportaion

# CAMPUS PLACEMENTS
