In general, we shall organize at least one meeting a month, and whenever any related issue arises, further meetings will be carried out.

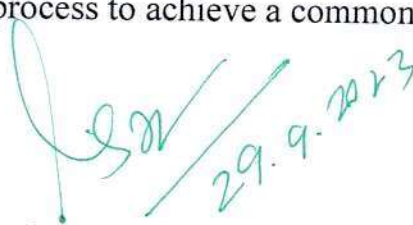

Functions:

- To ensure that all the eligible and interested students are placed through campus interviews conducted by top-notch companies
- To motivate students to develop their soft and analytical skills to make key strategic decisions in an increasingly complex corporate environment.
- To unleash the student's education in an environment that brings in professional value and inculcates a modern and positive attitude to make them more employable,
- To establish long-term relationships with the companies

Roles and Responsibilities:

The roles and responsibilities of the Training and Placement Committee are as follows:

- Training through mock interviews as per the expectations of the recruiters.
- Organize different training programs for the students to enhance their skills in aptitude, quantitative reasoning, logical reasoning, and verbal reasoning through the experienced and trained members of the faculty or experienced professionals.
- To organize a language learning program to improve the communication skills of the students.
- To interact with the company's HR persons
- To maintain the quality standard of the placement offered.
- To ensure that the team works according to the defined process to achieve a common objective.
